For Our Mum

61 years of life.
61 years of memories.
61 years of love.

This little book is our way of celebrating the woman behind so many of our favourite memories.

We could never fit everything we love about you into one little book, but these are just a few of the many things that make you so special to us.

Happy 61st Birthday, Mum.

With all our love,
Remi, Rolayo, Rolake & Daddy

You notice when something is wrong, even when I don't say anything.

04 Your Sacrifices

So many things you have done for us came at a cost to you, and I will never take that for granted.

You have always made me feel capable of becoming more.
